## Safe+Sound Week Participation

Dear Eric,

The Sierra Nevada Chapter of ASSP is a proud supporter and participant of Safe+Sound week.

Last month we sent out a newsletter with information and resources for Safe+Sound we hope you found useful. Now, we'd love to hear from you on any safety initiatives you implemented during this week. This feedback not only bolsters our chapter participation, but also recognizes your efforts as a professional in your industry.

If you have anything you'd like to share, please respond to this e-mail and let us know. We will highlight these successes in our upcoming newsletters.

Thank you for being part of the largest safety community in our region.

If you need anything, please don't hesitate to reach out.

Eric
