**SAFETY PROFESSIONALS**

Sierra Nevada Chapter

## September Chapter News

Dear Eric,

I hope September is going well, and you are staying healthy. There are a lot of things going on this month, so I hope you can participate where possible.

### **Survey - 2020/2021 Chapter Expectations**

Everyone will be receiving a survey this month from our chapter. The goal is pretty simple. We want to know what you hope to get out of our meetings, possible training opportunities, and networking between members. As part of the largest safety organization in the region, this is your opportunity to have your say! So please a brief moment to fill out the survey, and let us know how we can better meet your expectations.

### **September Chapter Meeting**

Where: Virtual - Telemeeting

When: September 30, 12:00 p.m.

Topic: This will be an open meeting where we will discuss the results of the survey. This is also an open forum for members to bring up additional ideas on what they would like to see from the Chapter for this fiscal year.

Sign up for the meeting by clicking [HERE](#), and we will send you a link before the meeting starts. You can also sign-up directly on our website.

Unlike other chapters, there is never a cost for you attending any of our general meetings.

### **Calling all potential speakers**

Are you a subject matter expert on a technical topic? Are you willing to present training, or lead an upcoming webinar? If so, we'd love to hear from you. You may also be able to earn recertification points in the process. Reach out to me at: [president@sierranevada.assp.org](mailto:president@sierranevada.assp.org) if you're interested.

### **National Safety Stand-Down - Falls in construction**

September 14-18 is the National Safety Stand-Down to bring awareness to fall hazards in the construction industry. As a leading cause of fatalities in the industry, there is a lot that needs to be done to make sure everyone makes it home. If you are interested in joining the Stand-Down, or would like to access resources on the topic, click [HERE](#).

As always, thank you for your participation and being a part of our organization. Without you, our chapter could not exist. Please reach out to me if you need anything.

Eric

**Working together for a safer, stronger future**
